## LRTAV CONFERENCE

16th & 17th August, 2019

*All Seasons Resort, Bendigo*

# From the **PRESIDENT**

---

It is time once again to contemplate your attendance at the LRTAV Annual Conference which returns again this year to the central Victorian City of Bendigo.

After such a successful conference last year I would encourage you, your team and partners to join us at the All Seasons Resort, where you will have a relaxing weekend away, renew old friendships, build new acquaintances, engage with our various presenters and support the many Sponsors that participate in this enlightening event.

Our theme this year "*Rural Transport – The Forgotten Link*" will focus on the issues that affect us all in our working lives – infrastructure, scheduling, safety, to name a few.

Find out what's new with technology, logistics and the latest equipment that will benefit your business directly. We intend to ensure our program allows Delegates ample time to browse Sponsor booths, to meet and interact with Sponsor representatives. We aim to incorporate our popular Working Groups, Regional & Trade based, so you can make us aware of what is affecting you, your staff and your business. Talk with others that may have experienced the same issues and how they were overcome.

Once again, the very entertaining Partners Program will be guided by Heather Keenan and Deb Barnett. Each and every participant in recent years have enjoyed the day thoroughly, with many laughs and highlights experienced.

Our Friday afternoon program will be purely social! Bowling shoes on, with the Bendigo Bowling Centre being the location of an afternoon of fun and frivolity!

Thank you to our wonderful organising committee of this year's Conference. A lot of work behind the scenes ensures an informative and enjoyable time to be had by all.

I'm looking forward to meeting up with you all in Bendigo in August.

LRTAV President

# Partners **PROGRAM**

Bendigo is a vibrant contemporary regional centre, boasting beautiful streets created from one of the world's greatest gold rushes. Every turn will reveal new surprises and experiences. With the gusto of a gold-seeking miner, the people who live here are creating fascinating products, services and stories that add to the richness of the region's boom time past. It is an ever-changing feast to be explored.

Wide streets lined by opulent buildings are now interwoven with intriguing laneways and arcades that are home to a new breed of innovators who again delve deep to create a vibrant energy across the city. Modern day Bendigo has sublime food, wine and shopping experiences against a stunning heritage backdrop.

Once people came from around the world to prospect for gold and forge a new beginning. Today a similar exuberance has again put Bendigo on the map as an innovative city.

We are still in the planning phase of our Partner Program for 2019 – with the many and varied options available in the Bendigo region – it is sure to be a fun filled day full of laughter.
